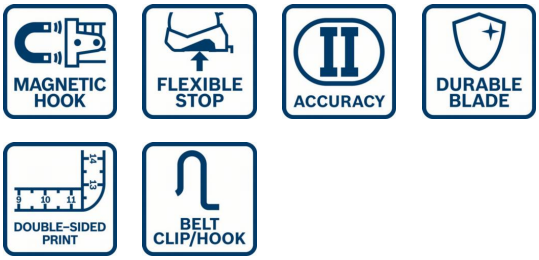
1 600 A01 6BH – Tape Measure 5 m

Material number	1 600 A01 6BH
EAN	3165140951548

Technical data

Description

Trades	Electrician Plumbing, heating and air conditioning technology Construction Joiners and carpenters
Double-sided blade printing	✓
Brush technology	✓
Autolock	✓
Product category subdivision	Tape measure



Technical data

Flexi stop	✓
Magnetic hook	✓
Precision class	2
Blade coating	Nylon
Weight	0.36 kg
Tool dimensions (width)	43 mm
Belt clip	✓
Shock-absorbing	✓
Impact-resistant grip	✓
Tool dimensions (length)	70 mm
Blade stand out (max.)	2.7 m
Tool dimensions (height)	77 mm
Blade dimensions (Length x Width)	5 x 27 mm

1 600 A01 6BH – Tape Measure 5 m

Sales information

User benefit

- Durable design thanks to robust aluminium housing
- Easy measurements of long distances due to strong magnetic hook attachable to metal surfaces
- Soft grip and ergonomic shape for optimal working conditions

Positioning

- 5m tape measure – durable design in robust housing for professional usage
